

Link to AT HOME WORKOUTS DURING SCHOOL CLOSURE: [BUSD Elementary PE Website](#)

We are hoping that during the closure, you can continue to get your child thirty (30) minutes of daily activity. There are great ideas on the above website for you to do at home, with no equipment. Together, we can stay fit together! Stay safe, be well Bobcats!

### **P.E. Student Behavior Expectations and Guidelines**

In an effort to have an optimal learning environment for all students in each physical education class, I am sending home an outline of my classroom behavior expectations.

- ***Giving effort during warm-ups, listening at the prompts for directions, following posted class or game rules, participating to the best of their ability, using the equipment in a mindful and correct manner, being respectful of others differences, and most of all using the appropriate language for a learning environment.***

Not abiding by the rules and guidelines that have been established for physical education classes, becoming a distraction to the learning environment will not be tolerated. Your child will receive **one verbal warning** during class from the myself or the classroom aide. If a **second infraction** occurs, they will be **removed from the class** and sat on the sideline and given a standards-based written assignment covering the missed material by not participating. The classroom teacher will be notified of the removal from class upon return from physical education class.

If you have any questions during the school year 2019-2020, please feel free to contact me anytime at [Coach Gibbons Email](#) or by using the BLOOMZ app or website, [Bloomz](#)

BLOOMZ 4<sup>th</sup> Grade: 597D5E    BLOOMZ 5<sup>th</sup> Grade: 48Q9FN

I am hoping that by you and your child being aware of behavior expectations, we can enable not only your child but all the students in the classroom be able to use their time in physical education to be active, social, and enjoy moving.

If you have not signed up for classroom alerts, such as class competitions, track and field, community events, and running club, please do so by signing up for my Bloomz. This is the main avenue of communication for the school year. There will be a separate Bloomz form coming home with your child. **IT'S MY ONLY FORM OF COMMUNICATION!**

Sincerely,
