

School Age Care (Day Care)

Ekstrand School Age Care services our students in all grades. We provide a supervised environment which is safe, healthy, positive, nurturing and compliments the educational program of the school.

Children are encouraged to pursue their own interests, develop friendships and grow in confidence, also be independent and respect themselves and others. We offer a quiet homework environment, reading and AR testing, arts/crafts, sports, music, computer time, science and much, much more.

School Age Care is open 6:30am and closes at 6:00pm.

We are located in rm. 26 on Walnut Avenue.

We are open on teacher in-service days and minimum days.

You are welcome to come in for information and speak to

Site Supervisor Jannette Kalar or call (909) 971-8363

Email: J.kalar@bonita.k12.ca.us
